

Liability

- Direct access to a team of decision making underwriters
- Professional claims service
- Lloyd's security for long tail claims payment protection
- Rehabilitation and in-house surveying capabilities

HCC's offices in the City of London, Newcastle and Bridgend provide both Lloyd's and provincial brokers access to Lloyd's Syndicate 4141. Through our underwriting expertise we deliver a quality of service that exceeds expectations.

We specialise in stand-alone liability business on both a primary and excess basis. We also offer Contractors' All Risks coverage. Our products include U.K. employers'

and public liability for a range of professions, including high risk contractors, manual work overseas, North American exports and offshore support contractors.

In addition, we have a claims security unit in Bridgend focussed on superior claims handling with access to rehabilitation services. We also have in-house surveying capabilities to help our customers improve their risk management.
